Kona Bixler admitted to Maple Gardens Rehabilitation and Nursing Center on November 01, 2024 under the care of Harold Ferguson. During the course of the stay, Occupational Therapy, and Physical Therapy were initiated to efficiently and effectively identify Kona Bixler's unique needs and tailor specialized treatment plans to successfully transition to the next level of care.

The therapy team provided skilled interventions to address the adaptation, compensation, and restoration potential of Kona Bixler and coordinated with the interdisciplinary team to ensure appropriate clinical care areas were addressed. On November 25, 2024, Kona Bixler successfully discharged to home.
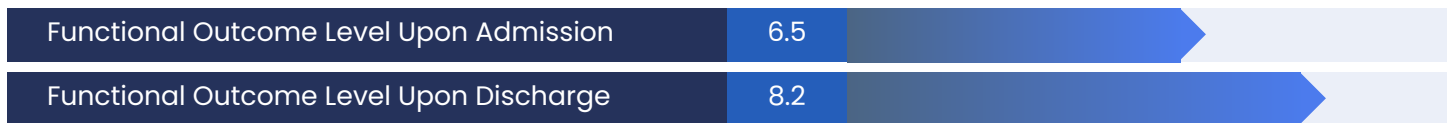

The rehabilitation length of stay was 25 days.

"Matthew and Sarah were always really nice to me."

Overall Composite Score Outcomes

Rehabilitation outcomes are assessed on a 10-point rating scale. 10 is the most independent level of ability, and 1 is the most dependent level of ability. A score of 0 may represent an inability to perform the task. The Model 10 Composite Score represents Kona Bixler's overall outcomes.

Model 10 Composite Score Overview

| Functional Outcome Level Upon Admission | 6.5 |
| Functional Outcome Level Upon Discharge | 8.2 |
