

Leonard Snowden admitted to Maple Gardens Rehabilitation and Nursing Center on November 26, 2024 under the care of Harold Ferguson. During the course of the stay, Occupational Therapy, and Physical Therapy were initiated to efficiently and effectively identify Leonard Snowden's unique needs and tailor specialized treatment plans to successfully transition to the next level of care.

The therapy team provided skilled interventions to address the adaptation, compensation, and restoration potential of Leonard Snowden and coordinated with the interdisciplinary team to ensure appropriate clinical care areas were addressed. On December 06, 2024, Leonard Snowden successfully discharged to home.

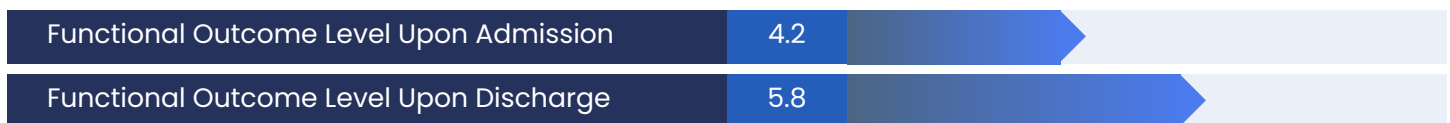

The rehabilitation length of stay was 11 days.

"I am definitely stronger than when I first got here."

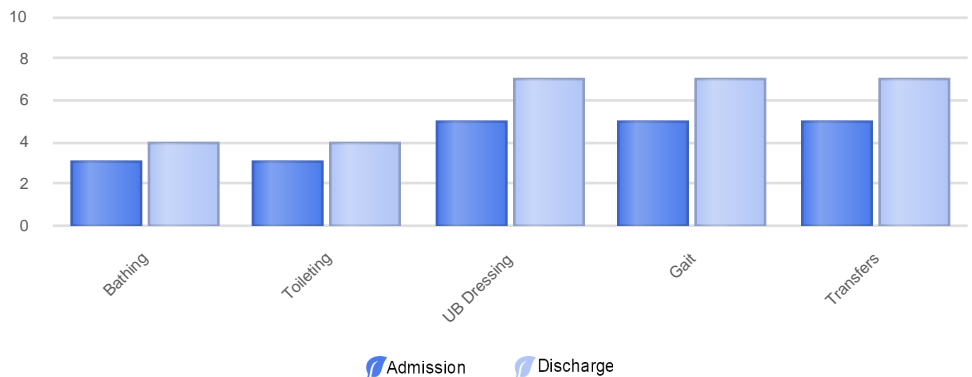

## Overall Composite Score Outcomes

Rehabilitation outcomes are assessed on a 10-point rating scale. 10 is the most independent level of ability, and 1 is the most dependent level of ability. A score of 0 may represent an inability to perform the task. The Model 10 Composite Score represents Leonard Snowden's overall outcomes.

### Model 10 Composite Score Overview

### Rehabilitation Outcomes Details

Thank you for the opportunity to care for Leonard Snowden.
